

## **State Education Agency Directors of Arts Education (SEADAE)**

### **Arts Instructional Resources**

<https://www.seadae.org/arts-instructional-resources>

*SEADAE is working with the arts education community to build a repository of instructional resources for the field. Resources include resources specific to each of the arts disciplines: Dance, Media Arts, Music, Theatre, and Visual Arts as well as resources for all arts areas, virtual field trips, and a link to the National Standards.*

*The links within this page continue to be updated so check back regularly.*
