

## National Art Education Association (NAEA)

### Learning Tools

The NAEA has many tools and resources available for the public.

*We face an immense challenge to prepare all students for the 21st century with rigorous and relevant art education. Gain the professional edge through a variety of opportunities. Share and find innovative lesson plans, resources, and tools.*

### Research

*What does current research say about the value of learning in the visual arts? What topics are emerging in the arts research world? How does research inform teaching practices and how can what happens in your classroom inform research? Learn about the NAEA Research Commission, view NAEA publications, and learn about publication policies and procedures.*
