This SKITTLES commercial needs a new soundtrack!

Name _____

1. **Start:** Watch the SKITTLES commercial **without sound:** [https://youtu.be/ MCRXKbDCI4](https://youtu.be/MCRXKbDCI4)

- What is the mood of the man walking down the sidewalk? _____
- Does his mood change during the commercial? _____

2. **Plan:** Look for objects around your house that you can use to make sounds. *(Be sure to check with an adult about what you may or may not use.)*

Possibilities: scrape – hit – shake wood – metal – plastic – paper - ??? pitches high – low loud – soft sound effects?

- What sounds can you use to portray the man’s mood(s)? _____

- Identify possible sounds for each color.

Yellow _____

Orange _____

Red _____

Purple _____

3. **Try them out!** Add the sounds you’ve chosen as you watch the commercial. Do you like your ideas?

- Have someone else watch the video as you make the sounds. What feedback to they have? _____

- Together, can you think of any other sounds you could use that would be even more interesting? _____

4. **Final:** Record your new soundtrack with the Skittles commercial or write the sounds on the storyboard when they will occur.

Assessment criteria: ___ Work shows evidence of planning and experimentation ___ Finished soundtrack supports video images
