

Play That Xylo Tune!

I can listen to pitches as I play to identify a familiar song.

1. Go to <https://playxylo.com> and you will find a virtual xylophone to play that looks like this.

2. Follow the graphs below to play each mystery tune on the xylophone. Do you recognize them?

3. Practice one of the tunes until you can play it easily. Then, play it for someone else and see if they can name the mystery tune, too 😊
